E X P E R I E N C E .

## FOUNDER DETAIL

**Ruhshad Nariman Daruwalla** is the founder and CEO of eSytes Innovations & Advertising Pvt. Ltd. He is a digital marketing expert with over 10 years of experience. Ruhshad has a Master's degree in Computer Science from the University of Mumbai. He is a certified Google AdWords and Analytics professional.

Ruhshad is passionate about helping businesses grow their online presence. He is a frequent speaker at digital marketing conferences and events. He is also a regular contributor to industry publications.

## SERVICES DETAIL

eSytes helps businesses improve their website's search engine ranking by optimising their website content, website structure, and website backlinks. eSytes uses a variety of SEO techniques to help businesses rank higher in search engine results pages (SERPs).

## **E-COMMERCE SEO**

eSytes helps businesses optimise their online stores for search engines. eSytes helps businesses improve their product listings, website content, and website structure to make their online stores more visible in search engine results pages (SERPs).

## **WIKIPEDIA NOTABILITY**

eSytes helps businesses get their Wikipedia pages created and verified. With its team of experienced Wikipedia editors, eSytes can help businesses create pages that meet the Wikipedia notability guidelines.

## **INSTAGRAM, FACEBOOK & TWITTER VERIFICATION**

eSytes helps businesses get their Instagram, Facebook, and Twitter accounts verified. This verification shows that the accounts are legitimate and owned by the businesses they represent.

## **CONTENT MARKETING**

eSytes helps businesses create content that attracts and engages their target audience. eSytes has a team of experienced content writers and content marketers who can help businesses create content that is relevant, informative, and engaging.

## **PUBLIC RELATIONS**

eSytes helps businesses get positive media coverage through its team of experienced public relations professionals. These professionals develop and execute public relations campaigns that generate positive media coverage for businesses.

## **SOCIAL MEDIA MARKETING**

eSytes helps businesses connect with their target audience and grow their business through social media marketing.

## **WEB DESIGNING**

eSytes is a web design and development company that helps businesses create effective and engaging websites. With a team of experienced designers and developers, eSytes can help businesses create websites that meet their specific needs and requirements.

## **MEDIA PLANNING SERVICES**

eSytes helps businesses reach their target audience and achieve their marketing goals through effective media planning.

## **CONTENT WRITING**

eSytes helps businesses create content that attracts and engages their target audience. We have a team of experienced content writers who can help you create content that is relevant, informative, and engaging.

## **APP DEVELOPMENT**

eSytes builds mobile apps that meet your business needs. Our team of experienced app developers can create user-friendly, engaging, and effective apps.
